**Sub: Registration of Importers as per provision of Plastic Waste Management Rules, 2016 as amended**

Sir,

Ministry of Environment, Forest and Climate Change has notified Plastic Waste Management (PWM) Rules 2016 (copy enclosed) to give thrust to plastic waste management including source segregation, processing and disposal of plastic waste based on the "Polluter Pays Principle"

As per Section 9 of PWM Rules, Producers, Importers & Brand Owners (PIBOs) who introduce plastic waste in the market due to their products in form of carry bags, multi-layered packaging, plastic sheets or like, are required to fulfill Extended Producer Responsibility to ensure environmentally sound management of this plastic waste.

The PIBOs are further required to obtain Registration from concerned State Pollution Control Board (SPCB)/ Pollution Control Committee (PCC) or Central Pollution Control Board in accordance with Section 13(2) of the PWM Rules which provides that:

*"Every producer or brand-owner shall, for the purpose of registration or for renewal of registration, make an application in Form-I to*

- i. "The concerned State Pollution Control Board or Pollution Control Committee of the Union territory, if operating in one or two States or Union Territories"; or*
- ii. "The Central Pollution Control Board, if operating in more than two States or Union Territories"*

For effective implementation of the above, you are requested to get the necessary instructions issued to the concerned to ensure verification of registration obtained from CPCB/SPCB/PCC (as applicable) at the time of clearing the consignment of Importers of plastic carry bags/multi-layered packaging/plastic sheets or like.

Yours faithfully,
